

WOODSIDE

Newsletter– Issue36

JANUARY 2018

Welcome to Woodside's January newsletter, we hope you all enjoyed Christmas and have a very Happy New Year!

We would like to thank all those who contributed to the raffles and we were overwhelmed by the 89 prizes we were able to offer. Many thanks also to River Primary School for the continued support and friendship from the staff and children.

This year will be one of many exciting changes to the look of Woodside as extensive planned refurbishment and a new extension begin to transform the building to accommodate many alterations and improvements to enhance even further the quality and welfare of those who live and work here. We hope to have details and plans ready to display in the very near future.

Activities

We continue to provide as many opportunities as possible to engage and entertain our Residents and the staff and visitors play an important part in daily and weekly events.

We have had a range of entertainers encouraging the participation in music singing and dancing and have an art therapist who has engaged many in art and who has painted a range of portraits for residents and enriched the ambience of the house with outstanding murals offering more to focus upon than plain walls. There are plans to develop the first floor patio into gardening and recreational area and we will continue to arrange group and individual outings to a variety of locations as often as we can. Woodside are still raising money to purchase an interactive table projection system. This money will be raised by holding raffles, sponsored walks and various other fundraising events. We would be grateful for suggestions and support for activities and always greatly appreciate any donations made however small.

Visiting Entertainment this month will include:
