# Getting to know our staff

In the spotlight this month...

*Sheila (Sumitra) Oozageer*

How long has Sheila been at The Oast?

*Just celebrated 3 years here*

What do you like most about your role at The Oast?

*I like being a care assistant, I have been in the care sector a long time. I enjoy my work.*

What made you decide to work in a care home?

*All of my family have been in nursing and joined in the family business.*

What is your happiest memory of working at The Oast so far?

*A previous resident was very appreciative of what we did to help him and just chatting with the residents and getting to know them.*

On Thursday 11<sup>th</sup> January we had a relatives meeting and received some lovely feedback from those who attended.

Thank you to those who came.

One point mentioned was us being able to notify relatives of upcoming events and fundraising activities, we would like to be able to gather email addresses for each of you so we can let you know what is happening.

It was also suggested a Relatives focus group was set up, which we would love to get organised. If anyone has an interest in this and has some free time once every three months, we would love to hear from you.

## What we have been up to over January?

Audrey and Steph enjoyed an outing to Costa Coffee!

We have played what's in the bag?

We also enjoyed having some pamper time and has manicures done!

And much more!

The staff Photo board is near completion, just a few camera shy staff to capture!

Even Sooty the cat will feature (it was fun trying to get him to strike a pose)!

As ever we welcome you to let us know of any comments, suggestions or niggles you may have. Please make use of the comments box in the entrance.
