Feedback from our work placement students

Jasmine

Ilina

"My experience at Rosewood as a work placement student has been so rewarding and amazing. When I started my work placement at Rosewood I was quite nervous as it was a new environment, however, everyone at Rosewood was extremely welcoming and made me feel as though I was part of the team. During my time at Rosewood, I not only developed many new skills and qualities, but I had the greatest opportunity to interact with all the residents and staff and providing them with assistance. I want to say a massive thank you to all the staff for making me feel so welcomed and part of the team. I loved my work placement at Rosewood and would love to come back, I am very thankful for the opportunity."
