August 2018 Issue

Last Month's News

Another busy month at Chipps for everyone, we have had artist Laura Brown in to do Mono painting with residents,

we have had a trip to the pub

An afternoon of magic with Magician Mark, Michelles fitness keeping residents active in both body and mind. The monthly Church Service has developed into a coffee and chat morning, we have had games of skittles, horse racing, ball games and ballon bashing and of course our Summer open day and BBQ

OPENDAY AND BBQ

WOW !! What a fantastic afternoon we had. Everyone was entertained by the brilliant Kevin Walsh, who had people up dancing and singing, he was so popular that his 1 hour slot developed into 2 ½ hours!!

We had a tombola, hook the duck, cake stall, plant stall, craft stalls and of course Stanley the donkey who came for the afternoon from Canterbury Horse Rescue Trust

And the BBQ went down well as well

We would like to say a huge thank you to everyone who helped out on the day and to all those individuals and local companies who donated prizes, we raised a grand total £230 which will go towards a trip out for the residents
