CHRISTMAS DAY

We are also now using electronic care plan devices to log all daily activities and records.

These do look like phones, but will have a green lanyard attached to them to make them stand out.

These are replacing the majority of our paperwork, which means we are able to spend more time with our residents.

If you have any concerns with these devices, please come and speak to us and we would be happy to talk you through them.

We were overwhelmed by your donations and support last month. We are asking for donations of arts and crafts items, we appreciate anything from paper, paints to paint brushes. Thank you.

As ever we welcome you to let us know of any comments, suggestions or niggles you may have. Please make use of the comments box in the entrance.
