As many of you are aware we are having an extension built at Woodside, this work has now begun which we are very much excited about! As the building work continues at Woodside we apologise for any inconvenience that is being caused in this process. If you have any concerns regarding the building work please feel free to see Jan, the manager. We are very much excited for the end result. The foundations are now in process and the building work is making great progress!

Well done to all staff who are currently completing NVQ's & up to date training!
