Alzheimer's Patient's Prayer

by Carolyn Haynali

Pray for me I was once like you.
Be kind and loving to me that's how I would have treated you.
Remember I was once someone's parent or spouse I had a life and a dream
for the future.

Speak to me, I can hear you even if I don't understand
what you are saying. Speak to me of things in my past of
which I can still relate.

Be considerate of me, my days are such a struggle.
Think of my feelings because I still have them and can feel pain.
Treat me with respect because I would have treated you that way.

Think of how I was before I got Alzheimer's; I was full of life,
I had a life, laughed and loved you.

Think of how I am now, My disease distorts my thinking, my
feelings, and my ability to respond, but I still love you even if I can't tell you.

Think about my future because I used too.

Remember I was full of hope for the future just like you are now.

Think how it would be to have things locked in your mind and
can't let them out. I need you to understand and not blame me,
but Alzheimer's.

I still need the compassion and the touching and most of all I
still need you to love me.

Keep me in your prayers because I am between life and death.
The love you give will be a blessing from God and both of us will
live forever.

How you live and what you do today will always be remembered
in the heart of the Alzheimer's Patient.
