We would like to thank everyone for the very kind donations that helped towards our garden, our garden is looking wonderful and everyone is enjoying sitting out in the sunshine. We have a lovely sensory fence, a herb fence, lots of different potted plants and we are also growing strawberries. We all enjoy being outside.

As many of you are aware, we are having an extension built at Woodside, this work has now begun which we are very much excited about! As the building work continues at Woodside we apologise for any inconvenience that is being caused in this process. If you have any concerns regarding the building work please feel free to see Tracey, the manager. We are very excited for the end result. The building work is making excellent progress!

Well done to all staff who are currently training and to those already completed. We welcome all of our new staff to Woodside!
