# Rosa's Round Up

November has flown by and we are already in December. We have had a great fun packed musical month...all our lovely residents were up and dancing! Stuart and Barry are always a massive treat, Elvis got everyone up and jiving and the residents loved him. There was a welcomed return from Nelson who always gets us all swooning and giggling like school girls.

We have been doing a lot of Christmas arts and crafts... Christmas cards for families & friends have been made as well as Christmas decorations. We will hopefully be printing some T-Shirts to wear for the festive season. Residents have helped to put up the Christmas tree and are looking forward to Christmas Day!

We are looking forward to all our Christmas shows, Gospel Choir and Entertainers!

The Children are a delight and the new kids have bonded with our residents, playing "Hide and Seek" having cuddles. It is a joy for all!

Sable is as popular as ever and very patient and loving, Bob her owner has our residents laughing at his silly jokes. Members of staff have also brought their dogs in for the residents to say hello and it is much appreciated. Our new exercise and dance lady Karen has had us all dancing and stretching!

I am currently organising a raffle so please come and see me to buy tickets. All the money goes to the residents fund for entertainment and trips out.

Have a great Christmas and keep warm.....With Love,

Rosa xxx
