We are making individual scrap/memory books here at Woodside. We would be very grateful if families could provide any information,

memories, or any photographs (we will photocopy and return) that could help us with these scrap books, all help is much appreciated.

Please see Chloe if you can help.

As many of you are aware, we are having an extension built at Woodside, this work has now begun which we are very much excited about! As the building work continues at Woodside we apologise for any inconvenience that is being caused in this process. If you have any concerns regarding the building work please feel free to see Tracey, the manager. We are very excited for the end result. The building work is making excellent progress!

Any queries, questions or concerns related to the building work, feel free to speak to a member of staff and we will be sure to help you.
