Managers Thoughts

During this very difficult time I have continued to be been totally blown away by my amazing staff at Rosewood.

Another month has passed and we have managed to keep this horrible Virus away from Rosewood.

Staff have continued to put the resident's safety above all else and are continuing to self-isolate when away from the home.

Thankfully our residents seem oblivious to what's going on and are happily living their lives. We appreciate how difficult not seeing their loved ones is for families so we are continuing to video call and telephone families to chat to their loved ones as much as we can.

Again, the support from families and the general public has been amazing with gifts bought to on door on a daily basis for both staff and residents. We thank you all so much.

I thank my amazing dedicated staff for everything they do and will do in the future.

Where there is love there is hope and my Rosebuds have love in abundance so we will never keep up hope.

“Together we can do this”
