What has been happening at Chipp's in June!

**Here at Chippendale, we have been doing more 1 to 1's
this month.**

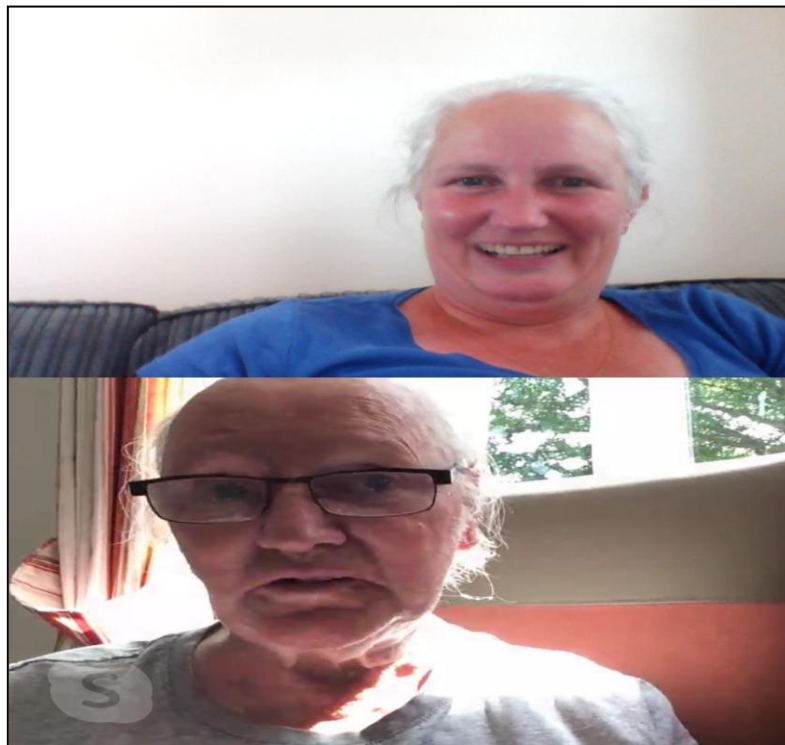

We have had residents doing puzzles.

We have been providing the residents with activity booklets for them to complete.

We have been doing a lot of facetime/zoom calls with residents' families.

We have been doing flower arranging with some of the residents.

**On the 18th June, we held a cupcake and coffee morning.
The residents enjoyed a mixture of music and enjoyed
some delicious cupcakes and tea/coffee.**

Upcoming Activities in July!

We will be doing more 1 to 1's, individual activities including flower arranging and pet therapy.

We will also be doing a tea tasting session and as it is World Chocolate day on 7th July, we will be having a chocolate tasting morning.
