

Blair Park Newsletter.

March 2020.

Originally built in the 18th century, Blair Park was formally used as a doctors surgery before it was sympathetically converted to a care home for the elderly. Blair Park has grown over the years, but still retains a warm, welcoming family atmosphere.

happy birthday
to you

Residents celebrating their birthdays this month are..... Kay G, Lynne C, Ruth B, Hazel C and Lily L.

Happy birthday from us all at Blair Park.

Memories we have made this February.

We have been very busy this month. We have danced with Joy Dey, we have celebrated Valentine's Day with a lunch with our loved ones, we have played lots of bingo and we have enjoyed an arts and crafts afternoon with our families children.
