My happiest moment was when I changed from a residential wing to a nursing wing.

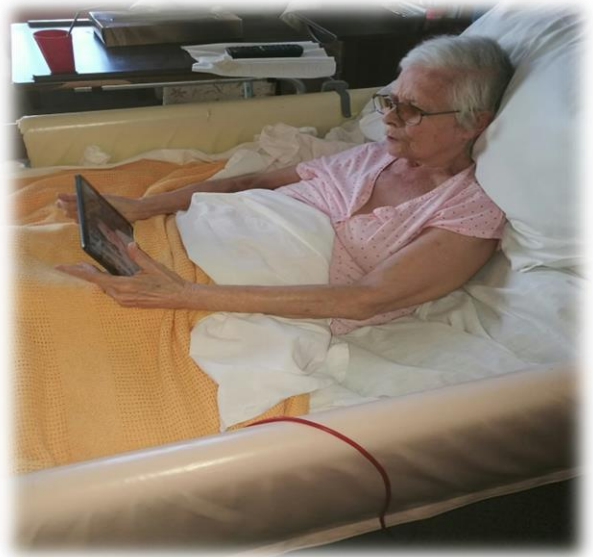

Quote for August

Caregiver

I am the caregiver, the watcher, the guide
I walk down the hall with you by my side
a smile, a laugh, a hug or embrace
I watch the worry fall away from your face
I am the caregiver, the watcher, the guide
I walk down the hall with you by my side
I am your compass, your shining north star
I try to remind you of just who you are
I am the caregiver, the watcher, the guide
I walk down the hall with you by my side
Pictures and letters, music of old
keep your mind warm and away from the cold
I am the caregiver, the watcher, the guide
I walk down the hall with you by my side
the routine of night shows no wear and tear
the light of the morning so soon will be here.
