What has been happening at Chipps in August!

Here at Chippendale, the activities team have been busy with garden visits and video calls.

The residents enjoyed seeing their families even though it is not the same seeing them in person, they treasure the times they get to see them.

We have celebrated a few birthdays this month too.

We have decorated the salon to make it more of an experience for the residents.

A few of the residents have enjoyed completing an activities booklet and several of them joined in with the quiz morning.

We had an elevens morning where the residents enjoyed some music and a nice cup of tea and fruit scones.

We also bought a karaoke machine with the kind donation of £100 that a young boy donated doing a jumpathon on his trampoline. The residents really enjoyed the karaoke afternoons as you can see from the pictures below.

Upcoming Activities in September!

We will be continuing the garden visits and video calls with the family.

Hair & Nails

Arts & Crafts

Karaoke afternoons

Chair exercise

Baking

Eleven's

Music & Dance

Quiz's

Interactive games
