# Getting to know our staff

In the spotlight this month...

*"Employee of the Month"*

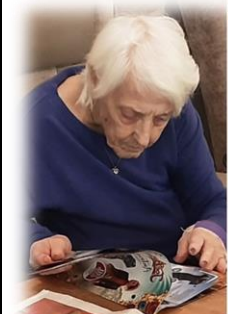

Mel & Karli have been putting in extra effort and hours to build up our sensory room. All the drawings have been done by hand and then painted by hand. Great work ladies, thank you both!

## Well done Mel & Karli...

# Rosa's Round Up

We have definitely been making the most of the sunnier days this month out in the Garden. Some of the residents have enjoyed dead heading flowers and generally tidying up the flower beds ready for autumn. It has been a lovely experience for all.

As the weather has since cooled down a little, we have really been enjoying jigsaw puzzles and looking through reminiscent picture books, short stories and magazines. Playing scrabble has since become a firm favourite with a lot of the residents.

We have been having regular sing-a-longs, to some resident's dismay, as well as some dancing lessons from Kathy.

I have a box with some amusing things in such as silly sun glasses and wind-up toys as well as some old fashion toys and the residents love to get our "Silly box" out after a game of Bingo. We will be on the hunt for more "silly things", so please let me know if you have any of these at home not being used that you would happily donate to the home.

The Residents have loved colouring and now have scrapbooks of their art work; it is lovely to see how proud of their work they are and how much time and effort some residents put into their art work.

A couple of staff members have also had a fun few weeks decorating the lounge with some amazing art work! This is being decorated into a sensory room and there is plenty more to be done – BIG THANKS to Mel & Karli.

Halloween is fast approaching and I am looking forward to seeing some spooky art work and cannot wait to put all the decorations up. We will be having a dress up day on the Friday before Halloween to mark the occasion and have a little more fun!

Please remember to book your Window visits, as the available slots do get booked up fast!

Stay Safe & Stay Spooooooky!!!!!!!!!!!!

All the best, Rosa xxx
