As winter approaches

As we come into autumn and winter months we are preparing for Halloween, remembrance Sunday and of course Christmas

Residents have been busy making a display board for Remembrance Sunday
The Halloween tree is up and decorated by our residents

Local community support

We have continued to receive gifts for residents from community groups. "Dartford deeds not words" are still coming to our door with gifts, they have been amazing since the start of the pandemic, we are forever grateful.

Managers Thoughts

Sadly, with the increase of COVID 19 infections we have had to review our visiting policy and are now allowing “window visits” only.

This is constantly being reviewed.

Staff have continued to go above and beyond to safeguard and care for all our residents, we are taking life at Rosewood one day at a time and continuing to remain on high spirits and positive.

To date we have been and remain COVID free... long may this continue.

We continue to keep families and loved ones updated and hope that we can make it through the winter COVID free and start 2021 in the hope that things can go back to normal.

We thank the families and friends for their continued support and understanding, we can only imagine how difficult this is for them all and their calls, emails of thanks to us are so appreciated Thank you

Where there is love there is hope and my Rosebuds have love in abundance so we will never keep up hope.

“Together we can do this”
