November 2020 Issue

*Throughout our newsletter you can expect to read a little bit about what goes on here at Rosewood, where everyone is made feel welcome with our warm, friendly atmosphere, a real home away from home for all.*

# Entertainment & Activities

## Fish n Chip Saturday

# Local community support

We have continued to receive gifts for residents from community groups. "Dartford deeds not words" are still coming to our door with gifts, they have been amazing since the start of the pandemic, we are forever grateful.

## Managers Thoughts

Sadly, with the increase of COVID 19 infections we have had to review our visiting policy and are now allowing "window visits" only.

This is constantly being reviewed.

Staff have continued to go above and beyond to safeguard and care for all our residents, we are taking life at Rosewood one day at a time and continuing to remain on high spirits and positive.

To date we have been and remain COVID free... long may this continue.

We thank the families and friends for their continued support and understanding, we can only imagine how difficult this is for them all and their calls, emails of thanks to us are so appreciated .... Thank you

We will be celebrating remembrance Sunday and remembering all that have served to keep us all safe over the years.

Staff here are getting into the spirit of Christmas early and already begging for the decorations to be put up, we are already playing Christmas songs and having some sing-a-longs

Where there is love there is hope and my Rosebuds have love in abundance so we will never keep up hope.

"Together we can do this"
