## “Managers thoughts”

We would like to thank all our wonderful families for their love and support to the staff during 2020. It really has been a year like no other.

We have had another busy year at Rosewood with many laughs and lots of fun, we have had some sad times too with the passing of residents but we have taken pride in our achievements as we have continued to give the best care we possibly can.

As Rosewood manager, I am extremely proud of the guys and girls at Rosewood, they all work hard, show so much love and compassion and always have the resident's best interest at heart. They often go above and beyond what is expected and the empathy they show every day never ceases to amaze me.

As the festive season comes closer and we say goodbye to 2020, we have had to say farewell to some amazing residents and families but are extremely proud of the care given, we now look forward to a new year to continue what we do best at Rosewood.

Merry Christmas and a Very happy and Healthy New Year
