# Rosa's Round Up

The Residents have been enjoying the lead up to December with lots of Christmas songs and putting a few Christmas trees/decorations around the home!

A big thank you to Sarah, one of the Night Seniors who has brought in her dog a couple of times. The Residents have really enjoyed this (as you can see by the photo's).

Facetiming families is proving to be successful, more families have taken us up on the video call offer this month, and seems to be working well. We hope to continue being able to offer these calls for the foreseeable, especially now the colder weather is coming.

We hope all of you have seen the email sent recently with regards to the news of being able to receive regular testing to enable you to visit your loved ones. As discussed in the email, we will keep you all posted with any updates/changes and let you know when this can commence. In the meantime, if you have any questions, please call/email us at any time.

Hoping you're all well and remain safe.

All the best, Rosa xxx
