Quote of the Month

The Disease might hide the person underneath
But there's still a person in there who needs your love and
attention.

Getting to know our staff

As you are aware it has been a very difficult year for us all. Without our team we would not have been able to maintain a normal and safe environment for our residents. With this in mind it seems impossible to pick out individuals for employee of the month so I would like to thank every single member of staff for all their hard work and dedication.

We wish you a Happy New Year and we hope it's a better one!!

Hillbeck News

We hope you all had a lovely Christmas?
We tried our hardest to make sure our residents had the best day
that we could give them.

Throughout December we had fun, made decorations, watched
Christmas films and sung.... a lot, along with all our normal
activities.

Our Christmas party wasn't what we were planning but I know
the residents all enjoyed themselves with games, dancing and a
lovely gift donated by The Bearsted community Angels.

We finished the day off with a lovely buffet tea.

It was lovely to see so many faces on the Skype and window visits
at Christmas day. It was a very different day to the ones we know
but we all made it special.

After a yummy 3 course Christmas meal we had lots of full bellied
sleepy residents, so some relaxing music and Christmas TV.

We would like to thank every single person that brought in gifts
for our staff. We are so very touched by the generosity of our
resident's families.

I'd like to say a special Thank you to one of our resident's families
for making up lovely gift bag for every single staff member, they
were gratefully received.

Also to Mr Osman & Heather Viggers who kindly gave all the staff
a gift.

All of us at Hillbeck would like to wish you all a very safe and
Happy New Year and we look forward to seeing you all back in the
home when we are all back to normal.
