Entertainment
What's happening at Rosewood in

February 2021

- We have recently bought an Alexa device which the residents are enjoying asking to play their favourite songs
- Residents have been involved with valentines' messages and had a lovely Valentines tea prepared by one of our families
- Michelle C one of our carers has been busy getting plants and pots ready for the residents to start potting up for the spring time.
- As residents slowly return to the communal areas after isolation, we are all excited and enjoying the social inclusion for everyone.
- We are looking forward to the spring time and to be able to get out in the garden and hopefully in the very near future have families, friend and our wonderful entertainment team come visit the home.
