Rosa's Round Up

We have been able to share some lovely news for this month – Starting from 8th March, we will be starting Window; Garden and Indoor visiting. We cannot wait to be able to see you all and the smiles on our Residents faces when they get to see you – we have a feeling this will be an emotional week!

We have had a very busy and interesting February and some of the Residents enjoyed the beautiful sites of the snow and enjoyed watching some children and dogs playing in the snow in the Park!

We have been able to have our Hairdresser, Pam, back in the building (with precautions in place obviously) and the Residents are unrecognisable with their new hair do's!

We have been concentrating more on person centred activities with lots of new puzzles throughout February and the residents have been working well together in groups with problem solving activities which is lovely to see.

We have been out in the Garden the last week of February with a surprise visit from Mr Sunshine himself! It has been lovely to see all the daffodils, crocus and hyacinths bulbs coming along nicely. We have some new and fun idea's for the Garden this Summer, so watch this space!

Stay safe!

All the best, Rosa xxx
