# Getting to know our staff

*In the spotlight this month*

## *“Buddy”*

*How long have you been working at Rosewood?*

*I've been coming to Rosewood with my mum since I was 12 weeks old and  
I'm now 5 years old*

*What do you like most about your role at Rosewood?*

*All the fuss I get, the treats and the laps I get to curl up on and making my  
human friends so happy and cheering them up. Also helping the staff clean  
the dining room floor, it delicious but not good for my waistline!*

*What is your happiest memory of working at Rosewood so far?*

*Just being here and making friends with so many humans and getting totally spoilt*

*What would you say to others looking into a career working in a care home?*

*I would tell all my furry friends get yourself into a care home, it's the best job EVER! My humans are the best and I love them as much as they love me.*
