# Rosa's Round Up

We have been focusing a lot more this month on small group activities and one-to-one activities giving residents more chances to feel comfortable chatting and interacting with each other; such as word puzzles; board games; reminiscent objects games. We have done quizzes, physical agility (fishing; Darts etc). Which has enabled the residents to reminisce their childhoods.

This has given them all a sense of worth as they remember what an important role they have played, we have had many laughs and this has formed some strong bonds.

We have done some pastry cutting and cooking, singalongs, chair exercises as well as the usual bingo and art which goes down a treat!

The video calls are becoming very successful and the residents are getting the hang of them (as and am I!) This gives everyone the opportunity to see the faces of those they are really missing!

Some of the Residents have also been choosing their favourite designs for their Zimmer Frames where I am making a little attachable bag for all to personalise their frames that little extra!

Stay safe!

All the best, Rosa xxx
