Rosa's Round Up

Spring has most definitely sprung, we've had an eventful month.

It has been so lovely to see the visits taking place again after so long – this separation is one of the many heart-breaking things about this virus, but fingers crossed, we will get back to some sort of normality soon. Thank you to everyone adhering to the guidelines.

We've had a special couple of days out in the Garden when the weather has been warm and it has been lovely to see the flowers start to pop up and to breathe some beautiful fresh air! We have been lucky to be situated in the middle of the park as our garden is quiet and we can hear the birds singing – very pleasant.

We had some lovely blankets donated by Blankets for Me – The Residents loved them, thank you so much!

We also had a couple of cuddly toys donated by Skye, so we did a raffle amongst the residents – they were thrilled with their new pals! Skye is the Daughter of one of the lovely Nurses who visits Park View regularly. When lockdown is over, we would love for Skye to pop in and meet the Residents.

We have celebrated our Molly's 100th Birthday in absolute style and managed to find an amazing last minute singer to continue the celebrations on 31st March!

Thank you to everyone who has made this day special for Molly – she is an absolute treasure and much loved (as all Residents are).

Extra big thank you for the staff who work hard every day to ensure our Residents feel loved, safe and well-cared for. We have a fantastic team at Park View and could not be any prouder!

We have some exciting news coming for next month's issue!

Stay safe! All the best, Rosa xx
