Rosa's Round Up

We have all been enjoying the spring weather spending some sunny days in the Garden. Live music has come back to Park View as you can see from the photos and the Residents have had a lovely time!

We have a lot of new gardeners amongst us, who have been busily weeding and pruning and we are looking forward to planting some new flowers and vegetables. The strawberry and apple tree have blossomed, so we are all keeping a keen eye on the arrival of fruit.

We have some new mental agility games which have proven to be quite a hit and keeps everyone on their toes.

It has been so lovely to have been able to increase the visiting for family and friends and we are hoping it is not too much longer before we can go back to normal visiting methods.

The mural in the small lounge is coming on leaps and bounds and we have a pub wall, an old style post office. A fruit and veg shop and sweet shop are in process. A massive thank you to Karli who gives her own time and talent on this project with the aim to bring back some memories for the Residents.

Thanks to all of the staff who give their constant love and care to all of the Residents and thank you to all of the families and friends for being so understanding and appreciative of the hard work we do throughout.

Stay safe! All the best, Rosa xx
