Update

As things are easing up, on the Covid 19 front, we are seeing restrictions beginning to lift, we will keep you posted regarding changes to visiting and taking loved ones out. It is lovely to see families coming through the doors again, and to see the looks on your loved ones faces is priceless. With lockdown restriction easing we are hoping to welcome back outside entertainment and things can start to feel somewhat normal again.

Getting to know our staff

We have a new senior on the team, Jo-Ann, who has taken a step up from healthcare assistant, we hope you will welcome her to her new role, she has been with us since January 2020.

Round up

Thank you for your co-operation and understanding at this difficult time.

Here at Woodside, we would like to reassure you all we are doing all we possibly can to keep our residents and staff safe to the best of our ability and we thank you for your patience and kind words.

We have now all received our second dose of the vaccine!

To remind everyone - visits are made by 15 MINUTE appointment slots please book in advance as spaces are being taken up rapidly as, you all can imagine the excitement of seeing your loved ones again, please allow 20 minutes, as we ask you to carry out a lateral flow test prior to entering the building.

Please do wear your masks. There are also rules in place for social distance visits to keep your loved ones safe from COVID-19 such as using the mobile phone you can call when your at the window to talk to your loved ones.

We would like to say a big Thank You !!!

As you are all aware the building works are progressing nicely, some of which we are now using. We have created a new dining space, with a W.C situated at one end, there are also four bedrooms, all with en-suite shower rooms, these are off one end of this space.

Hopefully, in the not so distant future we will be complete and we can have a grand opening, we will keep you posted on this.

We would like to thank you all for your co-operation and understanding, as well as your continued support at this continuing difficult time.

I would like to take this opportunity to thank you for taking the time to read this newsletter. Stay safe and take care, hope to see you all very soon.

Love Woodside
