Rosa's Round Up

Hi all,

We had our second 100th Birthday of the year; we all had so much fun. We had a singer to entertain us and everyone was up dancing and singing, including the birthday girl, who was on her feet for the whole hour. Thanks to all the staff who made her day so special, making cakes, the buffet, the decorations and for coming in on their day off to celebrate ... we had the best day.

It has been lovely having live music again; it really boosts the resident's mood and wellbeing.

We have been collaborating with a local singer/songwriter from Rochester, who has been chatting with some of our residents, about their lives and experiences, with a view to writing a song about them. It has been a lovely way for our residents to re-connect with our local community, which we have really missed in these coming times ... his first performance is on the 10th and he will be performing Shirley's song, as well as some well known hits for them all to boogie to.

We have been mostly doing indoor activities as we have had a very wet month, jigsaws, mental agility puzzles but making the most of the odd sunny day to go out into the garden.

The Garden has gone bonkers with all the rain we have had, so this month's project will be gardening... luckily we have many keen gardeners staying with us at the moment.

Photos next month.

Enjoy the sunshine and stay safe,

All the best,

Rosa xx

Thanks to all of the staff who give their constant love and care to all of the Residents and thank you to all of the families and friends for being so understanding and appreciative of the hard work we do throughout.
