Gardening

Resident Visits

It's wonderful for our residents to be able to have visits. To enable us to be able to accommodate your preferred date and time we would recommend booking early (7 days in advance)

Many thanks for your co-operation. We look forward to seeing you soon!

Getting to know our staff

In the spotlight this month....

“Employee of the Month”

Well done Angela

Rosa's Round Up

Hi all,

June saw the first of our musical collaborations, a song written especially for Shirley Ann about her life story – Shirley Ann was thrilled at the performance and recognised it as her song – her family loved it too – Gavin had all the residents up and dancing to “These boots are made for walking” – he has chatted to a couple of other residents this month and will be singing their songs at the end of July. Some of the residents stayed in the garden that day and had their lunch outside; they said it felt like they were having a pub lunch under umbrellas.

Some of our lovely staff have brought their dogs in for the residents to see, it's such a treat to see their smiling faces, I know a lot of people here miss their pets so much and have been unable to have visits from our therapy dog because of Covid.

We have been very grateful for ‘Octopus for a Premie’ for their lovely donations of handmade tactile octopus! The residents loved them – they are great for those who like fiddle toys – also we've had some more hand knitted blankets from the ‘blankets for me’ project for a couple of our newer residents – it's lovely to see them on their beds adding a splash of colour and makes their bedroom cosy and individual.

We have been doing a lot of motor skill activities this month – balancing games, magnetic puzzles, colour sorting, word games etc. as well as the usual bingo, jigsaw and colouring activities. We are in the process of putting together a new singalong song sheet with some of the residents favourite tunes – they do like a good old singalong!!

All the best for July,

Love from Rosa xx
