In the spotlight this month...

Val- Senior

How long has Val been at Charing House?

I have been working at Charing house for 10 years now.

What do you like most about your role at Charing House?

Since joining the team on Barry Hodgman working with our residents with learning disabilities I have gained so much and every day I learn something new.

What are your happiest moments at Charing House

My happiest moment at Charing was when my son came in as a resident. I knew he would be looked after and it felt like he was home.

June's Memories

EMPLOYEE OF THE MONTH
