Employee of the Month.....

Chris

Congratulations!!

Chris has been part of the Woodside family since 2014.

Here is what some of the team said about Chris....

'Works hard and is a great team player'

'Helped me and supported me when I was new'

From next month we will have
a “Getting to know our staff”
article given we have some
new staff that have joined us
and will have more new staff
very soon.....

***Vacancies ***

Since our new build has been completed, we have some really lovely rooms available here at Woodside, all with en suite facilities.

We have had lots of expressions of interest; however, like many other social care providers we need to recruit into our staff team, therefore, we are holding a waiting list for new admissions.

You are welcome to have a look around, if you wish to do so, but please book an appointment with us on 01304 825713 to book this in.

If you think you've got what it takes to be a Carer, Cook or Housekeeper, here at Woodside, please do give us a call to discuss the options open to us.

Friends & Family

It has been lovely to see some of you again as you visit your loved ones. If you would prefer, we are more than happy to accommodate facetime or skype calls on a regular basis, please do just let us know.

As most of you are aware now, the guidance has changed and you are now able to take your loved one for walks, home to sit in the garden etc. I know some of you have already been doing this and it has been great to see.

Please do not forget to call or email us to book in your visits as it can get quite busy.

We would like to take this time to share with you that Samantha will be joining us on 1st November 2021 as our new manager. Sam has experience of managing a care home for people with dementia; we look forward to seeing her get into action with her new ideas and plans for the home.
