

WOODSIDE

Newsletter

November 2021

*Throughout our newsletter you can expect to read a little bit about what goes on here at Woodside,
we hope you enjoy!*

This was an image of our brand new entrance

It looks slightly different now – the stairs have been enclosed and a new reception area created but it still looks lovely albeit not quite finished!!

Residents celebrating their birthday this month & next are...

Jenny

27th Nov

The staff enjoyed working with the residents to decorate the home but sadly we didn't manage to get many pictures of their efforts for Halloween – just a few of our residents having fun...

Employee of the Month.....

Chris

Congratulations!!

Chris has been part of the Woodside family since 2014.

Here is what some of the team said about Chris....

'Works hard and is a great team player'

'Helped me and supported me when I was new'

We will include November's employee of the month in December's edition.

*Vacancies *

Since our new build has been completed, we have some really lovely rooms available here at Woodside, all with en suite facilities.

We have had lots of expressions of interest; however, like many other social care providers we need to recruit into our staff team, therefore, we are holding a waiting list for new admissions.

You are welcome to have a look around, if you wish to do so, but please book an appointment with us on 01304 825713 to book this in.

If you think you've got what it takes to be a Carer or Cook here at Woodside, please do give us a call to discuss the options open to you.

Friends & Family

It has been lovely to see some of you again as you visit your loved ones. If you would prefer, we are more than happy to accommodate facetime or skype calls on a regular basis, please do just let us know.

We now have our inside visiting room up and running given the weather is that much colder and indeed wetter!

Please continue to book your time slots in as the home is busy with visitors.

01304 825713

Please do not forget to undertake your LFD test before the visit and register on the GOV.UK website.

Samantha has now joined us here at Woodside; she will in time be in touch with you all. Sam has experience of managing a care home for people with dementia; we look forward to seeing her get into action with her new ideas and plans for the home.
