Resident Visits

Now Christmas is upon us we ask that you contact us to let us know your preferred time and dates of visits as soon as possible.

We are currently trying to arrange visits, phone and video calls and are trying our best to accommodate everyone and make sure that all residents get to see their loved ones at this special time of year!

Knowing what your preferences are will make it easier to arrange the days you'd like to visit as this is a busy time for us all and this will allow visiting to be as smooth and efficient as possible.

Rosa's Round Up

Hi all,

Here we are already in December, Christmas is just around the corner and we have started doing some Christmas art and puzzles to get us in the mood. The Christmas trees and decorations will be up in the first week of December and there is definitely an exciting buzz around Park View, it will be so lovely (fingers crossed) that we can see our loved ones this year. It has been a tough year on the residents, families and staff, but we are getting through it!!

There is definitely a cold nip in the air and so our lovely hand knitted blankets kindly donated by "blankets 4 me" are a permanent fixture in the lounge brightening the room and making our residents feel cosy!

They will be well used as it looks like we will get a White Christmas this year!

We will be holding our Christmas raffle on Tuesday 21st December! Tickets are available from reception. Should you wish to donate to the raffle all gifts will be greatly accepted! All proceeds from the raffle go to the resident's fund!

All the best, stay safe and warm!

Love from Rosa xxx
