Rosa's Round Up

Hi all,

It's so lovely to be out of isolation and back in the lounge together. We have been doing jigsaws, puzzles and singalongs, lots of valentine's crafts and colouring. We are especially pleased with our mosaic heart sun catchers. We had a lot of fun making them and they are proudly displayed for all to see! We think you will agree they look fantastic!

We also had great fun playing our indoor golf and fishing games. It's great to see some of our residents up and playing, lots of interacting with each other, cheering each other on, encouraging each other and see such lovely friendships.

A special big thank you to Karli for making these wonderful conversation boards whilst the residents were in isolation and of course the fabulous mural on the lounge wall, staff and residents love it and it gets us all chatting and gives a lovely cosy feel to the lounge.

Please keep an eye out for updates via email regarding visits as things are fast changing. Although we are now open for visits with fewer restrictions, we are still operating an appointment system to reduce the footfall into the home. We still recommend booking a week in advance to ensure we can accommodate your requests.

And lastly, a big thank you to Minnie's family for kindly donating a bench for the garden in her memory. We miss her and her fantastic sense of humour; she will be forever in our hearts!

Love Rosa xxx
