Rosa's Round Up

Hi all,

We have been mostly concentrating on person centred activities this month due to an outbreak of Covid – but have been able to do some nice projects and play some great cognitive games and Easter projects, to give a sense of time of the year and I've been bringing the outside in with blossom off of the trees and various flowers and plants – our garden is in full bloom and we are looking forward to picking some fruit off our trees this year.

A big thank you to Deborah, a friend of Park View, for donating a lovely bird bath to our garden, it is very much appreciated and the residents and birds will both love it!

We have our first trip out to Elm Court garden centre for coffee and cake this month – the first in 2 years – now that will be a treat!

We also will be having some entertainment this month – the residents really love a good singalong!

Big thanks to all the girls and boys working extra hard over this past couple of weeks of isolation – with the smiles and love they always give – so lucky to have such a great team.

All the best, stay safe,

Rosa xx
