In the spotlight this month...

Michelle

How long have you been working at Rosewood?

I have worked here for over 4 years

What do you like most about your role at Rosewood?

Since being promoted to a senior carer, I enjoy the fact I can still support every day care needs and am building my confidence in running the shift.

What is your happiest memory of working at Rosewood so far?

I have so many happy memories most seeing residents enjoying the entertainment, all singing and dancing.

What would you say to others looking into a career working in a care home?

It is the best decision I have made working in a care home, I think everyone should try it and once you get settled in "you're hooked"!
