WHAT HAVE WE BEEN UP TO ?.....

THIS MONTH WE HAD THE RETURN OF OUR OOMPH OUTING. OFF WE WENT TO BROOKSIDE GARDEN CENTRE AND WHAT A LOVELY SUNNY DAY IT WAS FOR US. WE STOPPED OVER AT THE CAFÉ AND ALL ENJOYED A NICE CUP OF TEA AND A SLICE OF CAKE. THEN WE SHOPPED AROUND AND CHOOSE SOME PLANTS FOR THE GARDEN AND SOME VEGETABLES TO TRY AND GROW. AS MOST OF YOU ARE AWARE STEPH AND SARAH HAVE A HABIT OF NOT BEING ABLE TO GROW THINGS HAAAAHA. FUNNILY ENOUGH THE SQUIRRELS ACTUALLY ATE SOME OF THE PLANTS BEFORE WE HAD A CHANCE TO PLANT THEM IN THE GROUND!! THE RESIDENTS HAVE BEEN PLAYING PLENTY OF BINGO THIS MONTH - THEIR CHOICE, I THINK THEY ENJOY THE PRIZES.

WE HAVE HAD SINGERS LIAM AND KEVIN IN PERFORMING FOR US WHICH WE HAVE ENJOYED. WE HAVE MANAGED TO HAVE PLENTY OF TIME OUTSIDE IN THE GARDEN, SOCIALISING AND DRINKING. THE ICE CREAM MAN HAS BEEN ROUND AND EVERYONE HAD A DELICIOUS ICE CREAM, HE WILL BE COMING ONCE A MONTH. WE HAVE HAD HUGO THE LABRADOR FROM PETS AS THERAPY IN EVERY TWO WEEKS, HE IS A GOLDEN COLOUR AND THE RESIDENTS LOVE HIM.

Introducing

Rose

Rose grew up West Ham London with her 6 other brothers and sisters. Rose was the middle child, she tells the staff and resident lots of lovely memories she had growing up. "My mother told me, you must never take anything off anyone and you should always do things with a kind heart."

Rose said she had a wonderful husband; they met through a dancing school as dancing partners when they then ended up happily married. Rose travelled with her husband all around the world doing dance shows. She even got mistaken as a famous film star on many occasions.

Rose has 2 sons who love her dearly, and she has grandchildren and great grandchildren.

Rose is a lovely resident and is a pleasure to have at the home and everyone loves listening to her memories.
