Getting to know our staff...

In the spotlight this month...

Kirri, our Senior Carer

How long have you worked at Blair Park for?

I have worked at Blair Park for just over 4 months now

What do you like most about your role here?

The residents, they are my favourite part of the job

What is your happiest memory at Blair Park?

I would say the jubilee, it was such an amazing day, every one was so happy and got involved. It was so lovely to see.

What would you say to someone looking to starting their career in care?

I would say it would be the most stressful times but it is all worth it, just to put a smile on the residents face and know you have helped to make a difference. It doesn't matter how stressful their days are if you know you have helped someone.

Friends & Family

It has been lovely to see some of you again as you visit your loved ones. If you would prefer, we are more than happy to accommodate facetime or skype calls on a regular basis, please do just let us know.

As most of you are aware now, the guidance has changed and you are now able to book internal visits or in the garden. We also encourage you to take relatives out now that the weather is getting better.

Please do not forget to call or email us to book in your visits as it can get quite busy.

Please keep an eye on your emails for regular updates regarding Blair Park.

As always, we are grateful for any donations for our raffles and bingo prizes. If you have any unwanted gifts, toiletry sets, perfumes, bottles of drinks, chocolates, sweets etc please consider donating them.

We're also starting planning for a summer fete which we hope will be able to take place outside in the gardens on Friday 12th August Save the date and keep your fingers crossed we have good weather and COVID stays away!
