Hillbeck News

The Hawaiian Party... Wow what a day! We would like to take this opportunity to thank everyone for making this day so wonderful. Our relatives are so supportive when it comes to these events and we can't thank you enough. All the staff did a superb job at making the day run smoothly and ensuring all of our residents had a great day. Thank you also to the stall holders that came along.

We are very pleased to say we raised £748 for our residents funds.... THANK YOU!

We would like to welcome Kayleigh our newest Healthcare Assistant to the team.

So the gardening club has been a huge success this summer. Lots of our residents have paid particular interest in the vegetable patch. We have runner beans, beetroot, radishes and tomatoes growing along with a herb garden all which are being used by the chefs. Sadly, with the winter soon approaching the gardening club will soon be winding down. Watch this space for even more next year!

Kevin & Amanda's door is always open for you should you have any concerns.

Once again thank you for all your ongoing to support.
