Rosa's Round Up

Hi All,

We are still reeling from the joy and success of our summer fete and have started to spend the money on some new hand to eye co-ordination, motor skills and balancing games which have already become favourites. We have also bought a few silly things for the fun box which made everybody laugh and some lovely sensory items for our residents who prefer tactile activities.

The residents have started harvesting some of our vegetables from the garden and we have had our very own cucumbers in sandwiches for tea- they taste like real cucumbers!! Along with a few apples, tomatoes and cherries where we are having bets on how many will grow, last year we had 3.

Great fun and music with Peter Lebone who always had the residents up dancing and singing along.

The time has come to start looking forward to Halloween next month and Christmas not far behind with ideas for their presents and the excitement this time of year brings.

With love and good health,

From

Rosa xxxx
