25<sup>th</sup> Annette

We wish all these residents a very  
happy birthday.

# Things that happened in October 2023

Halloween party  
2023

# Pumpkin carving

Making poppy  
wreath

## Getting to know the staff

Linsey has worked on George Smith as a healthcare assistant for 6 years. She loves her residents and getting to know their families. Linsey says the best part of her job is going home knowing she has done the best she can for her residents. She wishes that she had taken this job role a lot sooner.
