## Birthdays we celebrated in December

Margate, Pat f, Pam and Elise A  
have all celebrated Birthdays this month

Thank you to all our families and friends for their continued support, lovely words and gifts throughout December, we raised £79 so thank you again for all your support in this. It has been a very busy month but our residents enjoyed the festivities! We started off with Lydden primary school coming in to sing to us, this brought lots of smiles to faces. A great time was had at the Christmas Party, Glenda performed for us and she certainly got everyone joining in singing. Then we had a visit from St Peters Church that came and sang Christmas carol and shared the story of Christmas and to finish of the entertainment we had a visit from The Salvation Army where all enjoy being able to sing along. Again as much to say they were asking for more at the end. There has also been lots of crafting and decorating of the home ready for Christmas. We were also donated gift bags from River Primary School for each and every one of our residents; they really enjoyed receiving these gifts. Our residents had a lovely Christmas Day, opening their presents and enjoy a full Christmas dinner with all the trimmings. We would like to wish you all a very Happy New Year and send you all best wishes for 2025
