# Rosa's & Marion's Reflection

Hello All,

What a busy month, we started the month with a sponsored walk around the park followed by a buffet lunch and then the lovely Leo came to entertain everyone, singing many recognisable songs we had not heard for a long time, needless to say everyone slept very well that night! A massive thank you to all the families and staff who came in on their day off to help out and join in. It was great to see the residents all wearing the hats they had decorated in celebration for V.E Day! We managed to raise a whopping £1040.00, which has gone directly to the resident fund for more fun stuff for our residents to enjoy, starting with a lovely treat a slap-up lunch of Cod and Chips last Friday, from our local chippy for all the residents, they loved it!

We also had the reintroduction of the Salvation Army to visit once a month, their music booming through the home gave everyone a great lift and our residents enjoyed joining in with the hymns. Some of our residents are 3<sup>rd</sup> Generation Salvation Army members and this means a lot to them to be able to share the joy with their friends at Park View.

Clemie has been working her magic with Yoga and Meditation sessions, it's great to see some of the residents are remembering the routines. They all really enjoy these sessions and the boost it gives, both physically and improving mental wellbeing.

We have also been doing lots of Arts and Crafts and our residents were very proud of their stained-glass butterflies. They have also been making some very cute Hedgehogs and Pelicans which are proudly displayed around the home. Some of our residents have started to paint the feathers for our peacock, watch this space for updates! It will look amazing when finished!

As always, we have been playing lots of cogitative agility games and doing puzzles, anything to get the mind and body going!

We are really looking forward to see "Dude" the miniature horse again this month, its always such a pleasure to see the love from the residents, we will of course take lots of photos and share next month.

It's our Father's Day Fry Up on 13<sup>th</sup> June, please see reception for booking.

We are planning a Hawaiian day in July so we will all be dressing up in grass shirts and Hawaiian shirts and drinking Mocktails, can't wait for that, it's going to be so much fun!!!

With love as always,

Rosa and Marion xxx
