We are planning our Summer Fete on 19th July 2025. This is the main fundraiser for the year. To make this a success we need the help from yourself. We are looking for raffle prizes, lucky dip prizes and empty and full wine bottles with screw on tops. Also wondering if anyone knows of anyone that would be able to do face painting on the day

Could you please ensure your relatives have ample toiletries when visiting, staff can always be of assistance if you need any further help. We are all very excited about our future fundraising events that we are planning.
