Rosa's & Marion's Reflection

Hello All,

WOW, what a scorcher, it's been HOT HOT HOT! We have spent the month trying to cool off and enjoy the sunshine. With some of the money from the sponsored walk we were treated to a visit from "Dude" the miniature horse, the residents absolutely fell in love with him and he seemed to enjoy all the attention that he was given. We can't wait to see him again soon.

We had a fun day Pizza making, the residents all enjoyed adding their own toppings and tucking into them after. Dominos eat your heart out!!!!

We had so much fun with our garden toys but due to the weather being too hot we played with this inside. The cool wind created by the parachute was welcomed. We had a great game of mini golf for Father's Day and enjoyed the competition in a game or two of bowls.

Music therapist Claire came and joined us for a morning of music madness! The room was buzzing with the resident's playing instruments to the likes of Queen "we will rock you" and she had us all jiving and dancing round the room. We are all looking forward to seeing her again this month.

The paddling pools have come out and the residents (and a few of the staff!) have been enjoying the garden with their feet cooling in the pool and ice lollies in hand.

We had a great end to the month, the traditional Strawberries and Cream watching the first games of Wimbledon and had our own game with inflatable tennis balls.

We are planning a Hawaiian day in July so we will all be dressing up in grass skirts and Hawaiian shirts and drinking Mocktails, can't wait for that, it's going to be so much fun!!!
