Rosa's & Marion's Round Up

Hi All,

We have been very busy, we started off the month with cake decorating afternoons, which everyone enjoyed (especially when we ate the cakes afterwards!) Of course and had a lovely cup of tea with them served in proper China tea cups, which is how it should be done, delicious!

It has been quite an arts and craft month. We have decorated some jars ready for our craft sale table and we have filled them with bath salts, which will make a great handmade gift at Christmas and everyone who participated were very proud of the results. We also made some lavender bags, the smell made us all feel very nostalgic, happy and very relaxed!

We have made some beautiful suncatchers which now adorn our window and give us the sense of Autumn. We will be doing some more autumn-based activities and Halloween arts and crafts and games.

We had another visit from Mark and his mini steam engines which were a big hit for our residents.

Great fun with our regular Yoga sessions with Clemie, everyone is so relaxed after some Yoga and Meditation. Claire came in to do a music therapy session on our Cowboy Day! Everyone had an amazing time, the room was full of smiles as you will see from the photos, our residents all suit a cowboy hat!

We enjoyed our visit from the Salvation Army and look forward to another visit this month!

Karaoke has been very popular this month, our residents do like a good old singsong and it gets them up and dancing about!

This month we will be having a MacMillan coffee afternoon, Bulb Planting afternoon, Halloween Party, singers and lots more. Please see the calendar or look for the posters in the home for dates and further info! We hope you can join us!

Love as always
