Rosa's & Marion's Round Up

Hi All,

We have had a fun packed month! Firstly, thank you to all that came and supported us on our Lazybones McMillan Coffee afternoon, it was lovely to see so many of you come out and support such a worthy cause.

We had an amazing music therapy session this month, the theme was Elvis and everyone absolutely loved getting into the swing of things, made more authentic by the Elvis sideburns and sunglasses!

What a cultural experience everyone had when Mahi came in for Diwali dressed in a beautiful Sari to show off her dancing skills and teach our residents how to do some authentic Bangarra dancing. Everyone thoroughly enjoyed themselves.

Halloween came into full swing with pumpkin carving, making their own pumpkins to decorate the home and of course we all dressed up! Lots of Halloween games, puzzles and Arts and Crafts. We had a Halloween Tea Party with families joining us and a spooky quiz, followed by karaoke. All our residents were able to be involved in some way and what a great atmosphere there was!

We are so lucky to have regular visits from Dotty the dalmatian therapy dog! She is the sweetest and our residents really benefit from having cuddle and petting time (I think Dotty really enjoys it too!)

Our residents were blessed with the company of Parker and his sisters. Parker is the cutest little lad who came in to visit and left massive smiles on everyone's faces. It so beneficial to our residents to interact with the younger generations!

Spring bulb planting was enjoyed by our residents and we look forward to seeing the baby daffs, snow drops and crocus' bloom in springtime.

One of our favourite singers "Peter Le Bone" came and performed one of his last performances before retirement, bringing an upbeat jive to the home. Everyone enjoyed the show! We wish Peter the best with his retirement, the residents of Parkview will miss him!

Wrap up warm and look after each other!

Love as always

Rosa & Marion
