December 2025 Issue

Throughout our newsletter you can expect to read a little bit about what goes on here at Blair Park, we hope you enjoy!

Wishing you all a very happy birthday xx

November was busy with a trip to the cinema to watch 'Downtown Abbey', arts & crafts, bingo, music & movement and making use of our new areas in the home with reading in the library area, sensory activities, lights and projector in our new sensory area and films watched in our new cinema area.

We were entertained by the wonderful Storm King who had us all kicking up our heels, dancing & singing along.

We were kept moving and in shape with fitness with John.

We celebrated Remembrance Day with watching the service and listening to appropriate songs. We made poppies and our poppy net was on display along with the creations we made.

Plus, we had our seniors & preschoolers afternoon where we made fantastic turkeys for thanksgiving in an arts & crafts session and played with sensory toys as well. The children had wonderful chats with the residents so a brilliant fun time was had by all.
