# ST PATRICKS DAY POTATO ROLLING 🍀

# Marion & Rosa's Round Up

Apologise there was no newsletter last month, but we have included some pictures of the activities we were enjoying and as you will see it was a busy month!

We had a jungle book music therapy session, with lots of Apes and Monkeys flying about.

Pancake breakfast for pancake day, we celebrated World Woman's Day at the beginning of the month and had a music therapy session that reflected this celebration of woman! Tea and cake in lovely china cups and saucers for Mother's Day and our spring bulbs came up and some are now flowering.

We had music from Amy McDonald, one of our favourite singers who always interacts beautifully with our residents. A touching moment when she gave a special moment for our bed bound resident, she performed a couple of his favourite songs by his bedside and he was overjoyed.

We moved our Yoga session to an afternoon which was very well received by some residents!

Looking forward to April as we have a lot going on, we are going to have visit from the Easter Bunny and a fish and chip shop lunch from the "Chippy" which is always a treat. We are having another visit from Danni, who is a talented balloon artist and was a great success when she visited us last time!

We are also excited and looking forward to a visit from Mark and his duck called Dog!

Matt the singer will be coming back for a second time to perform for us as the residents loved him so much 😊

Please make sure you look on the activities board or the newsletter calendar as not to miss all we have going on, we love our families to join us in these fun activities!

Happy Easter...enjoy all the chocolate, because we all will!

With love from

Marion & Rosa
